The purpose of this Grant is to utilize funds from the Department of Homeland Security (DHS), Federal Fiscal Year **2012 Emergency Management Performance Grant, CFDA #97.042.**

The Grantor hereby grants to the Grantee an amount not exceeding **\$93,433.49** for the period from **October 1, 2011, to September 30, 2012.** The Grantee hereby agrees to use the funds provided under the agreement for the purposes set forth herein and agrees to comply with all terms and conditions of this agreement and applicable federal and state policies and grant guidance.

This Grant Agreement and attachments constitute the entire agreement between the parties and there are no oral agreements or understanding between the parties other than what has been reduced to writing herein.

PART II - Term

The term of this Grant Agreement shall be from **October 1, 2011, to September 30, 2013.**

PART III - Scope of Work

The Grantee will utilize the Emergency Management Performance Grant funding in accordance with the Emergency Management Assistance (EMA) program as outlined in the Grantee's FFY 2012 Grant Program Application. The EMA Program will aid the Grantee in the administration of effective emergency management in the areas of personnel and benefits, travel, organizational, equipment, and additional program needs expenses.

The FFY 2012 Grant Program Application, provided in Attachment A, outlines the expenditures for which the Grantee will seek reimbursement. The Grantor will only reimburse those expenditures that are specifically listed in the Attachment A.

PART IV - Compensation Amount

The total compensation and reimbursement payable by the Grantor to the Grantee shall not exceed the sum of **\$93,433.49.**

PART V - Terms and Conditions

All of the requirements listed in this section apply to the federally funded project. The Grantee agrees to include these requirements in each contract and subcontract financed in whole or in part with federal assistance.

SPENDING LIMITATIONS: All allocations and use of funds by the Grantee shall be in accordance with applicable grant guidance and application kits. The Grantee shall comply with all applicable federal and state statutes, regulations, executive orders, and other policies and requirements in carrying out any project supported by these funds. The Grantee recognizes that laws, regulations, policies, and administrative practices may be modified from time to time and those modifications may affect project implementation. The Grantee agrees that the most recent requirements will apply during the performance period of this agreement.

FISCAL FUNDING: The Grantor’s obligations hereunder shall cease immediately, without penalty or further payment being required, in any year for which the General Assembly of the State of Illinois fails to make an appropriation sufficient to pay such obligation or the U.S. Department of Homeland Security, Federal Emergency Management Agency, Grants Programs Directorate (DHS FEMA GPD) fails to provide the funds. The Grantor shall give Grantee notice of such termination for funding as soon as practicable after Grantor becomes aware of the failure of funding. Grantee’s performance obligations under the agreement shall cease upon notice by Grantor of lack of appropriated funds.

EQUIPMENT: Grantor reserves the right to reclaim or otherwise invoke the Illinois Grant Funds Recovery Act on any and all equipment purchased by grantee with grant funds if said equipment has fallen into neglect or misuse according to the standards and policies of the Grantor. Additionally, Grantee may not substitute, exchange or sell any equipment purchased with grant funds unless Grantee has the express written consent of the Grantor. The Grantee agrees that, when practicable, any equipment purchased with grant funding shall be prominently marked as follows: *“Purchased with funds provided by the U.S. Department of Homeland Security.”*

METHOD OF COMPENSATION: The Grantee will submit to the Grantor a Quarterly Claims Form as provided by the Grantor no later than 30 days after the end of each Federal Fiscal Year quarter. Along with the Quarterly Claims Form, the Grantee must submit vendor invoices or computer generated report with description of costs, including statement of payment for personnel costs and affirmation or evidence of delivery and property identification numbers for property subject to Grantor policies and procedures, in order to receive compensation through this agreement. The method of compensation shall be reimbursement in accordance with the invoice voucher procedures of the Office of the State of Illinois Comptroller. The Grantee shall maintain appropriate records of actual costs incurred and to submit expenditure information to the Grantor. No costs eligible under this Grant Agreement shall be incurred after **September 30, 2012**. The Grantee agrees that funds received under this award will be used to supplement, but not supplant, state or local funds for the same purposes.

ACCOUNTING REQUIREMENTS: The Grantee shall maintain effective control and accountability over all funds, equipment, property, and other assets under this agreement. The Grantee shall keep records sufficient to permit the tracing of funds to ensure that expenditures are made in accordance with this agreement. The Grantee must follow the retention and access requirements for records [44 CFR part 13.42 (b) and 2 CFR 215.531]. All records must be maintained for three years after submission of the final expenditure report; or if any litigation, claim or audit is started before the expiration of the three-year period, the records shall be retained until all litigation, claims, or audit findings involving the records have been resolved and final action taken. The Grantee shall assure sub-grants are in compliance with 44 CFR Part 13.37.

The Grantee shall comply with the most recent version of the Administrative Requirements and Cost Principles, as applicable. A non-exclusive list of regulations commonly applicable to the DHS FEMA GPD grants are listed below:

1. 44 CFR Part 13, Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments
2. 2 CFR Part 215, Uniform Administrative Requirements for Grants and Agreements with Institutions of Higher Education, Hospitals, and Other Non-Profit Organizations (OMB Circular A-110)

3. 2 CFR Part 230, Cost Principles for Non-Profit Organizations (OMB Circular A-122)
4. Federal Acquisition Regulations (FAR), Part 31.2 Contract Cost Principles and Procedures, Contracts with Commercial Organizations

Funds received by the Grantee must be placed in an interest-bearing account and are subject to the rules outlined in 6 CFR Part 9, Restrictions Upon Lobbying, 44 CFR Part 13, Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments; and 2 CFR Part 215, Uniform Administrative Requirements for Grants and Agreements (Including Sub-awards) with Institutions of Higher Education, Hospitals and other Non-profit Organizations.

DUPLICATION OF BENEFITS: The Grantee shall not duplicate any federal assistance, per 2 CFR Part 225, Basic Guidelines Section C.3 (c), which states: Any cost allocable to a particular federal award or cost objective under the principles provided for in this Authority may not be charged to other federal awards to overcome fund deficiencies, to avoid restrictions imposed by law or terms of the federal awards, or for other reasons. However, this prohibition does not preclude the Grantee from shifting costs that are allowable under two or more awards in accordance with existing program agreements. Non-governmental entities are subject to this prohibition per 2 CFR Parts 220 and 230 and FAR Part 31.2.

MATCHING FUNDS: All cost sharing or matching funds claimed by the Grantee shall meet the requirements of the program guidance and/or program regulations, 44 CFR 13 and 2 CFR 225. Costs must first be reasonable, allowable, allocable, and necessary, and every item must be verifiable (i.e. tracked and documented). Except as provided by federal law, a cost sharing or matching requirement may not be met by other federal funds.

RECORD KEEPING AND AUDITS: Grantee shall maintain records for equipment, non-expendable personal property, and real property. The Grantee shall, as often as deemed necessary by the Grantor, DHS FEMA GPD or any of their duly authorized representatives, permit the Grantor, DHS FEMA GPD, the Auditor General, the Attorney General or any of their duly authorized representatives to have full access to and the right to examine any pertinent books, documents, papers and records of the Grantee involving transactions related to this grant agreement for three years from the date of submission of the final Budget Detail Worksheet or until related audit findings have been resolved, whichever is later. The Grantee certifies that all audits submitted under the provisions of OMB Circulars A-133, Audits of States, Local Governments, and Non-Profit Organizations, have been approved by the Grantor. The Grantee acknowledges that these are federal pass-through funds that must be accounted for in the jurisdiction's Single Audit under the Single Audit Act of 1996, if required.

MODIFICATION AND AMENDMENT OF THE GRANT: This agreement is subject to revision as follows:

- A. Modifications may be required because of changes in state or federal laws, regulations, or federal grant guidance as determined by the Grantor. Any such required modification shall be incorporated into and will be part of this agreement. The Grantor shall notify the Grantee of any pending implementation of or proposed amendment to such regulations before a modification is made to the agreement.
- B. Modifications may be made upon written agreement of both Grantor and Grantee.

TERMINATION FOR CONVENIENCE: This agreement may be terminated in whole or in part by the Grantor for its convenience, provided that, prior to termination, the Grantee is given: 1) not less than ten (10) calendar days written notice by certified mail, return receipt requested, of the Grantor's intent to terminate, and 2) an opportunity for consultation with the Grantor prior to termination. In the event of partial or complete termination of this agreement pursuant to this paragraph, an equitable adjustment of costs shall be paid to the Grantee for expenses incurred under this agreement prior to termination.

TERMINATION FOR BREACH OR OTHER CAUSE: The Grantor may terminate this agreement without penalty to the Grantor or further payment required in the event of:

- A. Any breach of this agreement that, if it is, susceptible of being cured, is not cured within 15 calendar days after receipt of the Grantor's notice of breach to the Grantee.
- B. Material misrepresentation or falsification of any information provided by the Grantee in the course of any dealing between the parties or between the Grantee and any state agency.

Grantee's failure to comply with any one of the terms of this agreement shall be cause for the Grantor to seek recovery of all or part of the grant proceeds.

SEVERABILITY CLAUSE: If any provision under this agreement or its application to any person or circumstance is held invalid by any court of competent jurisdiction, this invalidity does not affect any other provision or its application of this agreement which can be given effect without the invalid provision or application.

WORKER'S COMPENSATION INSURANCE, SOCIAL SECURITY, RETIREMENT AND HEALTH INSURANCE BENEFITS, AND TAXES: The Grantee shall provide worker's compensation insurance where the same is required, and shall accept full responsibility for the payment of unemployment insurance, premiums for worker's compensation, social security and retirement and health insurance benefits, as well as all income tax deductions and any other taxes or payroll deductions required by law for employees of the Grantee who are performing services specified by this agreement.

WAIVERS: No waiver of any condition of this agreement may be effective unless in writing from the Director of the Grantor.

WORK PRODUCT: The Grantee acknowledges DHS FEMA GPD and State of Illinois reserve a royalty-free, non-exclusive, and irrevocable license to reproduce, publish, or otherwise use, and authorize others to use, for federal and state purposes: (1) the copyright in any work developed under an award or sub-award; and (2) any rights of copyright to which a recipient or sub-recipient purchases ownership with Federal support. The Grantee agrees to consult with DHS FEMA GPD, through the Grantor, regarding the allocation of any patent rights that arise from, or are purchased with, this funding. All publications created through this grant agreement shall prominently contain the following statement: *"This document was prepared under a grant from the Federal Emergency Management Agency's Grant Program Directorate (FEMA/GPD) within the U.S. Department of Homeland Security. Points of view or opinions expressed in this document are those of the authors and do not necessarily represent the official position or policies of FEMA/GPD, the U.S. Department of Homeland Security or the State of Illinois."*

ACKNOWLEDGEMENT OF FEDERAL FUNDING: The Grantee shall acknowledge federal funding when issuing statements, press releases, requests for proposals, bid invitations, and other documents describing projects or programs funded in whole or in part with federal funds.

MAINTENANCE AND REVIEW OF EQUIPMENT: The Grantor reserves the right to reallocate or repossess all equipment procured by the Grantee under this agreement if the property is not properly maintained by the Grantee according to the manufacturer's guidelines and Grantor's requirements. All equipment procured by the Grantee through this grant agreement shall be made available for review by the Grantor upon request.

POSSESSION OF EQUIPMENT: Title to equipment acquired by a non-Federal entity with Federal awards vests with the Grantee. Equipment means tangible nonexpendable property, including exempt property, charged directly to the award having a useful life of more than one year and an acquisition cost of \$5,000 or more per unit. However, consistent with a non-Federal entity's policy, lower limits may be established. A Grantee shall use, manage, and dispose of equipment acquired under a Federal grant in accordance with Federal and State laws, procedures and policies. All equipment purchased with funding received through this Agreement shall be used, for the entire useful life of the equipment, in accordance with the purpose stated in PART III – Scope of Work. Any variation to the intended use of the equipment outlined in PART III – Scope of Work by the Grantee must be approved in writing by the Grantor.

LIABILITY: The Grantor assumes no liability for actions of the Grantee under this agreement, including, but not limited to, the negligent acts and omissions of Grantee's agents, employees, and subcontractors in their performance of the Grantee's duties as described under this agreement. In addition, the Grantor makes no representations, or warranties, expressed or implied, as to fitness for use, condition of, or suitability of said equipment purchased pursuant to this agreement, except as those representations are made by the manufacturer of said equipment. As to nature and condition of said equipment, in the use of said equipment, the Grantee agrees to hold the Grantor harmless for any defects or misapplications. To the extent allowed by law, the Grantee agrees to hold harmless the Grantor against any and all liability, loss, damage, cost or expenses, including attorney's fees, arising from the intentional torts, negligence, or breach of the agreement by the Grantee, with the exception of acts performed in conformance with an explicit, written directive of the Grantor.

ENVIRONMENTAL AND HISTORIC PRESERVATION (EHP) COMPLIANCE: The Grantee shall not undertake any project having the potential to impact Environmental or Historical Preservation (EHP) resources without the prior approval of DHS FEMA GPD, including but not limited to communications towers, physical security enhancements, new construction, and modifications to buildings, structures and objects that are 50 years old or greater. The Grantee must comply with all conditions placed on the project as the result of the EHP review. Any change to the approved project scope of work will require re-evaluation for compliance with these EHP requirements. If ground disturbing activities occur during project implementation, the Grantee must ensure monitoring of ground disturbance, and if any potential archeological resources are discovered, the Grantee will immediately cease construction in that area and notify DHS FEMA GPD and the appropriate State Historic Preservation Office. Any construction activities that have been initiated without the necessary EHP review and approval will result in the non-compliance finding and will not be eligible for DHS FEMA GPD funding.

AMERICANS WITH DISABILITIES ACT (ADA): The Grantee understands the importance of integrating disability access and functional needs efforts into local homeland security and emergency preparedness programs. This integration should occur at all levels from planning, to purchasing equipment and supplies, to conducting exercises and drills and should involve disability inclusion experts as partners across all aspects of emergency planning.

RECAPTURE OF FUNDS: The Grantee shall return to the Grantor all state or federal grant funds that are not expended or received from the Grantor in error. All funds remaining at the expiration of the period of time the funds are available for expenditure or obligation by the Grantee shall be returned to the Grantor within 45 days, if applicable. The Grantor may recapture those funds in accordance with State and Federal laws and regulations. The Grantee's failure to comply with any one of the terms of this Grant Agreement shall be cause for the Grantor to seek recovery of all or part of the grant proceeds.

FEIN: Under penalties of perjury, the Grantee certifies that **36-6006585** is its correct Federal Taxpayer Identification Number and that IRS Instructions have been provided for proper completion of this certification. The Grantee files with the IRS as a (please check one):

The inability of the Grantee to certify to the certification in this section will not necessarily result in denial of participation in the agreement. The Grantee shall submit an explanation of why it cannot provide the certification in this section. This certification is a material representation of fact upon which reliance was placed when the Grantor determined whether to enter into this transaction. If it is later determined that Grantee knowingly rendered an erroneous certification, in addition to other remedies available to the federal government, the Grantor may terminate this agreement for cause. The Grantee shall provide immediate written notice to the Grantor if at any time the Grantee learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

The Grantee agrees that it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible or voluntarily excluded from participation in this covered transaction, unless authorized, in writing, by the Grantor. The Grantee agrees that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion-Lower Tier Covered Transaction" provided by the Grantor, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions. The Grantee may rely upon a certification of a prospective participant in a lower tier covered transaction, unless Grantee knows the certification is erroneous. Grantee may decide the method and frequency by which it determines the eligibility of its principals. The Grantee may, but is not required to, check the Non-procurement List. If a Grantee knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation, in addition to other remedies available to the federal government, the Grantor may terminate this Contract for cause or default.
