INTERAGENCY AGREEMENT

Victims of Crime Act Victim Assistance Grant Program

This interagency agreement is entered into by the Illinois Criminal Justice Information Authority, with its offices at 300 W. Adams, Chicago, Illinois 60606, hereinafter referred to as the "Authority", and Kane County on behalf of the Kane County State's Attorney, hereinafter referred to as the "Implementing Agency," with its principal offices at 719 South Batavia Ave., Geneva, Illinois 60134-3077 for implementation of the Child Advocacy Center Services program.

WHEREAS, Section 7(k) of the Illinois Criminal Justice Information Act (20 ILCS 3930/7(k)) establishes the Authority as the agency "to apply for, receive, establish priorities for, allocate, disburse and spend grants of funds that are made available...from the United States pursuant to the federal Crime Control Act of 1973, as amended, and similar federal legislation, and to enter into agreements with the United States government to further the purposes of this Act, or as may be required as a condition of obtaining federal funds;" and

WHEREAS, pursuant to the Authority's rules entitled "Operating Procedures for the Administration of Federal Funds," (20 Illinois Administrative Code 1520 et seq.) the Authority awards federal funds received by the State of Illinois pursuant to the Victims of Crime Act and enters into interagency agreements with state agencies, units of local government, and not-for-profit organizations for the use of these federal funds; and

WHEREAS, pursuant to the Victims of Crime Act, the Authority has been designated as the State agency responsible for administering this program; and

WHEREAS, the Authority designated the Implementing Agency to receive funds for the purpose of implementing a program to address one of the named areas.

NOW, THEREFORE, BE IT AGREED by and between the Illinois Criminal Justice Information Authority and the Implementing Agency as follows:

SECTION 1. DEFINITIONS

"Program": means a planned, integrated approach to an identified problem which is characterized by clear goals, measurable objectives, the implementation of strategies to achieve those objectives and a mechanism for assessing the effectiveness of those strategies.

SECTION 2. PERIOD OF PERFORMANCE AND COSTS INCURRED

The period of performance of this agreement shall be from October 1, 2012 through September 30, 2013.

Costs incurred before the execution date of this agreement may be charged to this agreement if included in Exhibit B, incurred during the period of performance, and the Implementing Agency performed in accordance with the terms and conditions of this agreement.

The Authority shall not be responsible for costs incurred before or after the period of performance of this agreement.

SECTION 3. COMMENCEMENT OF PERFORMANCE

If performance has not commenced within 60 days of the original starting date of this agreement, the Implementing Agency agrees to report by letter to the Authority the steps taken to initiate the program, the reasons for the delay, and the expected starting date.

If the program is not operational within 90 days of the starting date of this agreement, the Implementing Agency agrees to submit a second letter to the Authority explaining the implementation delay. The Authority may at its discretion either cancel this agreement or extend the implementation date of the program past the 90-day period.

If the program is interrupted for more than 30 days after commencement, due to loss of staff or any other reason, the Implementing Agency agrees to notify the Authority in writing explaining the reasons for the interruption and the steps being taken to resume operation of the program. The Authority may, at its discretion, reduce the amount of federal funds awarded and/or terminate this agreement if the program is interrupted for more than 90 days.

If this agreement is terminated due to this section, the Authority will only pay for those services rendered as of the date service delivery ceased. Any funds advanced to the Implementing Agency and not expended as of that date shall be repaid to the Authority upon notification by the Authority.

SECTION 4. PAYMENT

The maximum amount of federal funds under this agreement is \$22,254 and is dependent on the expenditure of matching funds as described in this agreement and Exhibit B, and the performance of the Implementing Agency in accordance with the terms and conditions of this agreement.

The Authority agrees to make payment to the Implementing Agency for the administration and implementation of the program described in Exhibit A. Upon receipt of the fiscal and progress reports described in this agreement, quarterly payments will be made to the Implementing Agency. No payment will be made until all outstanding reports are received by the Authority, including outstanding reports from previously funded Authority programs. In addition, due to the unique requirements of the program being funded, the Implementing Agency may request that an advance payment be made during any quarter and must include supporting documentation with the request. Requests for advance payment are subject to review and approval. No payment will be made to an Implementing Agency unless and until the Implementing Agency is in full compliance with applicable state and federal laws and the terms and conditions of this agreement.

The Implementing Agency must provide for the deposit of program funds, including federal and matching funds, into a bank account in the name of the Implementing Agency, either depositing such funds into an account separate from any of its other bank accounts or treating such funds as a separate line item per its budget and audited financial statements. Federal funds shall be immediately deposited into such bank account.

SECTION 5. MATCH

The Implementing Agency certifies that it (a) meets the requirements of this agreement and (b) has at least 20 percent of its support (including in-kind contributions) from sources other than federal funds for the program described in Exhibit A. Therefore one dollar in cash or in-kind match is required for each four dollars of federal funding received.

Failure of the Implementing Agency to apply non-federal financial support to the program described in Exhibit A in the amount of at least 20 percent of such program's costs, shall result in a proportionate reduction in the amount of federal funds awarded under this agreement and may result in the return of funds already awarded. To meet this matching funds requirement, the Implementing Agency shall apply non-federal financial support to the program, as described in Exhibit B.

SECTION 6. NON-SUPPLANTATION

The Implementing Agency certifies that VOCA funds will not be used to supplant (replace) State or local funds. VOCA funds must increase the amount that would otherwise be available to the Implementing Agency for the types of activities eligible for funding under the Victims of Crime Act.

SECTION 7. FUNDING ELIGIBILITY REQUIREMENTS

Implementing Agency certifies that it, and its subcontractors, shall use VOCA and match funds for only allowable services, activities and costs, as described in the Victims of Crime Act Crime Victims Assistance Program Guidelines; Section E. Services, Activities, and Costs at the Subrecipient Level.

The Implementing Agency certifies that only those costs related to the delivery of direct services to victims of crime shall be paid pursuant to this agreement, in accordance with Exhibit B.

In administering the program described in Exhibit A the Implementing Agency agrees that it:

- (a) Is a nonprofit organization or public agency that provides services to victims of crime;
- (b) Has a record of providing effective service to victims of crime and at least 20 percent of its financial support (including in-kind contributions) is from non-federal sources; or, if it has not yet demonstrated a record of providing services, it can demonstrate that 25-50 percent of its financial support comes from non-federal sources;
- (c) Utilizes volunteers;
- (d) Promotes coordinated public and private efforts within the community served to aid crime victims;
- (e) Assists victims in seeking available crime victim compensation benefits;
- (f) Maintains statutorily required civil rights statistics on victims served by , national origin, sex, age, and disability, where such statistics are voluntarily provided by those receiving assistance, and permits reasonable access to its books, documents, papers, and records to determine whether the Implementing Agency is complying with applicable civil rights laws; this requirement is waived when the Implementing Agency is providing a service, such as telephone counseling, where soliciting the information may be inappropriate or offensive to the crime victim;
- (g) Provides services to victims of federal crimes on the same basis as victims of State and local crimes;
- (h) Provides services to crime victims, at no charge, through the program described in Exhibit A; and
- (i) Maintains confidentiality of client-counselor information, as required by State and federal law.

Implementing Agency certifies that it, and its subcontractors, shall not use VOCA or match funds to pay for presentations given by VOCA or match funded personnel, unless the following conditions are adhered to. These presentations should serve as a means of reaching the project's target population either through outreach to individual crime victims or through agencies that typically have contact with the target population.

- VOCA or match funded staff time, not to exceed an average of 4 hours per month, may be used to provide public presentations to community groups and schools provided the primary purpose of the presentation is to inform people about the VOCA funded project and available services.
- VOCA or match funded staff time, not to exceed an average of 10 hours per month, may be used to provide public presentations to criminal justice personnel and medical service providers provided the primary purpose of the presentation is to inform people about the VOCA funded project and available services.

The Implementing Agency certifies that it, and its subcontractors, shall comply with sections 1404(a)(2) and 1404(b)(1-

2) of the Victims of Crime Act of 1984, 42 U.S.C. §10603(a)(2) and 42 U.S.C. § 10603(b)(1-2).

SECTION 8. PROGRAM DESCRIPTION, BUDGET, EXHIBITS AND AMENDMENTS

The Implementing Agency agrees to undertake and perform in a satisfactory manner in accordance with the terms and conditions of this agreement, the program described in the Program Description attached and incorporated as Exhibit A and the Budget attached and incorporated as Exhibit B.

The documents appended are made a part of this agreement, as exhibits and amendments as the case may be. Any amendment to this agreement must be signed by the parties to be effective. The Implementing Agency shall perform the services subject to this agreement in accordance with all terms, conditions, and provisions set forth in such exhibits and amendments.

SECTION 9. OBLIGATIONAL LIMITATION

Payment under this agreement is subject to passage of a suitable and sufficient appropriation by the Illinois General Assembly. Obligations of the State of Illinois will cease immediately without penalty of further payment being required in any fiscal year should the actions of the General Assembly or any applicable funding source result in the failure to appropriate or otherwise make available sufficient funds for this agreement.

SECTION 10. FINANCIAL CAPABILITY

The Authority may, in its discretion, require the Implementing Agency to provide documentation on its financial capability. This may include, but is not limited to, copies of the Implementing Agency's annual report, credit reports, delinquency status of Federal debt, and assurances on the adequacy of the Implementing Agency's accounting system and operations. The Implementing Agency must comply with federal and state financial management standards.

SECTION 11. REPORTING AND EVALUATION REQUIREMENTS

Unless another reporting schedule has been required or approved by the Authority, the Implementing Agency agrees to submit the following minimum data to the Authority on a quarterly basis, with quarters beginning at the start of the calendar year, within 15 days following the quarter covered by the report:

- a) Victim Statistics: Total number of victims and significant others served by program, type of crime, type of services provided, race, sex, age, national origin and disability, where such information is voluntarily furnished by those receiving services; and
- b) Staff Information: Number of hours and types of service contributed during the reporting period by paid and volunteer staff.

The Implementing Agency agrees to submit the following information as required by the Authority:

- a) Changes that have been made in the program since receiving the federal funds that will benefit victims of crime;
- b) A short description of how the program has coordinated its activities with other service providers in the community;
- c) A short description of how the program has assisted crime victims in seeking available crime victim compensation benefits;

- d) Victim statistics, including the total number of victims served by criminal justice status (i.e. reporting/non-reporting, prosecution/non-prosecution);
- e) Staff information, including the number of hours of training received by volunteers and paid staff;
- f) Program information and activities, including the number of hours of training presented, number of hours of public information and education programs presented; and
- g) Number of referrals to/from other agencies.

Unless another reporting schedule has been required or approved by the Authority, the Implementing Agency is also required to submit quarterly fiscal reports and to file year-end program financial status reports. The Executive Director of the Authority will determine the content and form of these reports. The Implementing Agency agrees to report any additional information required by the Executive Director of the Authority.

SECTION 12. MAINTENANCE OF RECORDS

The Implementing Agency agrees to maintain records which document activity reported to the Authority pursuant to this agreement. Such records shall be accessible to the Authority for monitoring purposes no more than 10 days following a request that such records be produced by the Implementing Agency. Inability of the Implementing Agency to produce such records or failure to produce such records shall be cause for suspension or termination of this agreement.

The Implementing Agency agrees to retain financial and program records for a minimum of 3 years after the expiration date of this agreement, or 3 years after closure of Implementing Agency's most recent audit report, whichever is later. The Implementing Agency shall maintain, for this 3-year period, adequate books, records, and supporting documents to verify the amounts, recipients, and uses of all disbursements of funds passing in conjunction with this agreement; the agreement and all books, records, and supporting documents related to the agreement shall be available for review and audit by the Auditor General, federal awarding agency personnel or its representatives, the Office of Chief Financial Officer or its representatives, the Authority, or any person duly authorized by the Authority; and the Implementing Agency agrees to cooperate fully with any audit conducted by the Auditor General, the federal awarding agency, the Authority or any person duly authorized by the Authority, and to provide full access to all relevant materials. Failure to maintain the books, records, and supporting documents required by this Section shall establish a presumption in favor of the State for the recovery of any funds paid by the State under the agreement for which adequate books, records, and supporting documentation are not available to support their purported disbursement.

If any litigation, claim, negotiation, audit, review or other action involving the records has been started before the expiration of the 3-year period, the records must be retained until the completion of the action and resolution of all issues that arise from it or until the end of the regular 3-year period, whichever is later.

SECTION 13. CLOSE-OUT REQUIREMENTS

Within 45 days of the expiration date of this agreement or any approved extension thereof the following documents must be submitted by the Implementing Agency to the Authority: (a) final financial status report; (b) final progress reports; (c) property inventory report; (d) any refund of unexpended funds and (e) other documents required by the Authority.

SECTION 14. INSPECTION AND AUDIT

If required by revised Office of Management and Budget Circular A-133 "Audits of States, Local Governments, and Non-Profit Organizations," the Implementing Agency agrees to provide for an independent audit of its activities. Audits shall be made annually, unless A-133 allows the Implementing Agency to undergo biennial audits. Audits

shall be made in accordance with the Generally Accepted Government Auditing Standards (GAGAS), General Accounting Standards for Audit of Governmental Organizations, Programs, Activities and Functions, the Guidelines for Financial and Compliance Audits of Federally Assisted Programs, any compliance supplements approved by the Office of Management and Budget, and generally accepted auditing standards established by the American Institute of Certified Public Accountants. Copies of all audits must be submitted to the Authority no later than 9 months after the close of the Implementing Agency's audit period. Further, Implementing Agency understands and agrees that funds may be withheld, or other related requirements may be imposed, if outstanding audit issues (if any) from OMB Circular A-133 audits (and any other audits of Office of Justice Programs (OJP) grant funds) are not satisfactorily and promptly addressed, as further described in the current edition of the OJP Financial Guide, Chapter 19.

Known or suspected violations of any law encountered during audits, including fraud, theft, embezzlement, forgery, or other serious irregularities, must be immediately communicated to the Authority and appropriate federal, State, and local law enforcement officials.

The Implementing Agency agrees to develop and maintain a record-keeping system to document all agreement related activities and expenditures. These records will act as the original source material for compilation of the data required in this agreement and all other program activity.

The Authority, Illinois Auditor General and the Illinois Attorney General shall have access for purposes of monitoring, audit and examination to all relevant books, documents, papers, and records of the Implementing Agency, and to relevant books, documents, papers and records of subcontractors. In addition, the Office of Victim of Crime and the Office of the Chief Financial Officer or their representatives shall have access to and right to all relevant books, documents, papers, and records of the Implementing Agency, and to relevant books, documents, papers and records of subcontractors.

SECTION 15. PROCUREMENT REQUIREMENTS, REQUESTS FOR PROPOSALS

All procurement transactions shall be conducted by the Implementing Agency in a manner to provide, to the maximum extent practical, open and free competition. The Implementing Agency must use procurement procedures that minimally adhere to all applicable laws, executive orders and federal guidelines. The Implementing Agency shall also adhere, and assure that its contractors and subcontractors adhere, to all applicable certification and disclosure requirements of the Illinois Procurement Code.

The Implementing Agency shall follow its established procurement process if it minimally adheres to applicable federal guidelines, and the following requirements. If the Implementing Agency's established procurement process is less competitive than the following requirements, the following more competitive requirements must be adhered to in lieu of the Implementing Agency's procurement process.

- For procurements of \$100,000 or less, the Implementing Agency must solicit quotes or bids from at least three sources.
- For procurements over \$100,000, the Implementing Agency must formally advertise the proposed procurement through an Invitation for Bids (IFB), or a Request for Proposals (RFP) process.

All procurements over \$100,000, that involve the use of federal or matching funds, must be submitted by the Implementing Agency to the Authority for review and written approval prior to their issuance. In addition, the Authority reserves the right to request that any RFP or IFB, regardless of its dollar amount, be submitted to the Authority for review and approval prior to its issuance. In addition, the Implementing Agency shall notify and submit for approval to the Authority any other relevant procurement documents including but not limited to Request For Information (RFI).

As required by the Authority, the Implementing Agency shall submit documentation regarding its procurement

procedures and grant-funded purchases for Authority review and approval, to assure adherence to applicable federal guidelines.

SECTION 16. SUBCONTRACTING

The use of subcontractors for any work or professional services that involves the use of federal or matching funds is subject to Authority approval. Any work or professional services subcontracted for shall be specified by written contract and subject to all terms and conditions contained in this agreement. If the use of subcontractors is approved by the Authority, the terms and conditions of this agreement shall apply to and bind the party or parties to whom such work is subcontracted as fully and completely as the Implementing Agency is bound and obligated. The Implementing Agency shall make reasonable efforts to assure that all subcontractors adhere to the terms and conditions of this agreement. The Authority shall not be responsible for the performance, acts or omissions of any subcontractor.

Subcontracts over \$100,000 that are funded with federal or matching funds must be submitted by the Implementing Agency for Authority review and approval prior to their effective dates and execution by the Implementing Agency. In addition, the Authority reserves the right to require that any subcontract funded with federal or matching funds, regardless of its dollar amount, be submitted to the Authority for review and approval prior to its effective date and execution by the Implementing Agency.

As required by the Authority, the Implementing Agency shall submit documentation regarding contracts to be funded with federal or matching funds for Authority review and approval, to assure adherence to applicable federal guidelines.

Approval of the use of subcontractors by the Authority does not relieve the Implementing Agency of its obligation to assure performance under this agreement.

SECTION 17. ASSIGNMENT

The Implementing Agency shall make no assignment or transfer of this agreement, any subcontracts under this agreement or of any of the monies due hereunder without prior written approval of the Authority. In the event that the Authority approves such an assignment or transfer, the terms and conditions of this agreement shall apply to and bind the party or parties to whom such work is assigned or transferred as fully and completely as the Implementing Agency is bound and obligated.

SECTION 18. INDEPENDENT CONTRACTOR

The Implementing Agency, in the performance of this agreement, shall act as an independent contractor and not as an agent or employee of the Authority. The Authority shall not be responsible for the performance, acts or omissions of the Implementing Agency. The Implementing Agency shall be liable, and agrees to be liable for, and shall indemnify, defend and hold the Authority harmless for all claims, suits, judgments and damages arising from the performance of this agreement, to the extent permitted by law.

SECTION 19. MANAGEMENT AND DISPOSITION OF EQUIPMENT AND COMMODITIES

Equipment and commodities acquired by the Implementing Agency with agreement funds shall be used for purposes of the program described in Exhibit A only. The Implementing Agency shall retain the equipment and commodities acquired with agreement funds as long as they serve to accomplish program purposes, whether or not the program continues to be supported by federal funds. If the equipment or commodities originally purchased for the program are no longer capable of fulfilling the needs of the program and must be traded in or replaced or there is no longer a need for the equipment or commodities, the Implementing Agency shall request instructions from the Authority.

The Authority may deny equipment and commodities costs or require that the Implementing Agency relinquish already purchased equipment and commodities to the Authority, if the Implementing Agency fails to employ an adequate property management system, governing the use, protection and management of such property. The Implementing Agency is responsible for replacing or repairing equipment and commodities that are willfully or negligently lost, stolen, damaged or destroyed. The Implementing Agency shall provide equivalent insurance coverage for equipment and commodities acquired with agreement funds as provided for other equipment and commodities owned by the recipient. Any loss, damage or theft of equipment and commodities shall be investigated and fully documented, and immediately reported to the Authority.

If, for an item of equipment described in Exhibit B to be funded with either federal or matching funds, the Implementing Agency does not have a purchase order dated within 90 days after the start date of the agreement, the Implementing Agency shall submit a letter to the Authority explaining the delay in the purchase of equipment. The Authority may, in its discretion:

- A. Reduce the amount of federal funding;
- B. Cancel this agreement;
- C. Allow the Implementing Agency to reallocate the federal or matching funds that were allocated for such equipment to other allowable, Authority approved costs; or
- D. Extend the period to purchase this equipment past the 90-day period.

Equipment purchased using federal or matching funds shall be year 2000 compliant and shall be able to process all time/date data after December 31, 1999.

SECTION 20. CONFLICTS OF INTEREST

The Implementing Agency agrees to comply with applicable provisions of the Illinois Procurement Code (30 ILCS 500) prohibiting conflicts of interest, and all applicable terms, conditions and provisions of the code are made a part of this agreement the same as though they were incorporated and included herein.

No employee, officer or agent of the Implementing Agency shall participate in the selection, or in the award or administration of a contract supported by federal funds if a conflict of interest, real or apparent, would be involved. The Implementing Agency shall establish safeguards to prohibit employees from using their positions for a purpose that is or gives the appearance of being motivated by a desire for private gain for themselves or others.

The Kane County CAC has mutual referral agreements to provide victim services for our client families with both Mutual Ground in Aurora and Community Crisis Center in Elgin. They are the Illinois Coalition Against Sexual Assault (ICASA) victim service agencies in Kane County. Due to language and resource limitations no one agency has the capacity or accessibility to provide service to all of the victim needs in the county.

If your agency is not able to coordinate these activities with a victim service agency please explain why. The funded services are not with these agencies however all other services are coordinated.

1. Please provide a *brief* description of your entire organization, including details of different units and staffing.

The Child Advocacy Center is a multidisciplinary intervention program established in 1994 to ensure coordination and cooperation among all agencies involved in child sexual abuse and allegations; to assure that all cases involving child sexual abuse in Kane County are handled in a consistent and child sensitive manner based on the protection and safety of, and respect for, the child and his or her family. We average 250 investigations per year and conduct over 1200 forensic interviews annually. We are staffed by law enforcement officers-5, Department of Children and Family Support Services (DCFS) investigators-2, family advocates-3, support staff-2 (currently vacant) and contract with mental health providers - 2 individual and 1 agency agreement.

2. Besides the services funded through this VOCA grant, what (if any) other victim services does your agency provide? Include examples of how these services are coordinated with the VOCA funded activities.

- Program investigative staff are responsible for conducting victim sensitive interviews of all child victims and completing all investigative interviews, evidence collection, safety plans and presentation to SAO for possible filings in juvenile and/or criminal court
- Case management staff provide crisis intervention, medical advocacy, legal advocacy, service referral for additional social and community services, linkage to those services as needed, mental health referral and coordination and court notification and accompaniment.
- Legal staff assigned to the CAC answer legal questions of staff throughout the conduct of all investigations and review completed files for charging/filing decisions and follow each case throughout the court process in a vertical prosecution format
- Specialized medical examinations are provided by trained personnel with equipment provided through our Friends group

3. Please indicate the total number of staff dedicated to all victim services at your organization, not just this VOCA funded program.

III. Summary of Program

This section will help us understand the program for which you are seeking VOCA funds. This must include all direct services to be provided to crime victims with VOCA and match funds. **Do not** include a description of activities that will not be funded with VOCA or match funds.

1. Description of program: Please provide a description of your VOCA funded program. Include information on any efforts to target underserved victim populations listed above that are served by this program, such as minority, elderly or disabled populations.

The VOCA-funded program provides short-term, trauma-focused mental health/counseling services for victims of sexual abuse. All client children, their non-offending caretakers, and siblings of victims are eligible for services. Additional trauma/coping services are provided for clients experiencing severe or debilitating trauma regarding court appearances. The counseling services are contractually provided on a per hour basis. We have forged an agency agreement that will allow us to expand provision of Spanish language mental health services. The agency has added an additional bi-lingual therapist to assist with our target population.

2. Who oversees this program? Please include position titles and duties. (Do not include personal information.)

Executive Director in conjunction with the contractual clinical supervisor

3. Staff

a. Report staff by title. Include employees who are part-time and/or only partially funded with this grant as well as program funded consultants/contractors. Include employees who are funded with any required grant match. Report all FTEs in decimals, not percentages and report in terms of total time at the agency and time spent on the program.

Title of Staff Person	Agency Full Time Equivalent*	% time on VOCA funded program	Program Full Time Equivalent**
<i>Example: Advocate</i>	.50	100	.5
<i>Example: Counselor</i>	.75	50	.375
Case manager/Advocate (match)	1	20%	.20
Therapist	1	16	.16
TOTAL(should equal #6 in Program Description)	1		.36

*Agency FTE is calculated by the number of total hours worked in a week divided by the average work week for your organization.

** Program FTE is calculated by Agency FTE times the time on the program.

b. What are the primary qualifications (e.g. education, language skills etc.) of program-funded staff?

Case manager/Advocate: Preference given to Master's degree in Human Services field. Bachelor's degree in Human Services field with commensurate experience with child sexual abuse cases or in case management may be considered.
Job descriptions are attached.

- c. Please attach an updated job description for each position including duties and qualifications. **If this position is not 100% VOCA-funded, asterisk the duties that apply to this program on the job description.**
-

Victims Compensation Program

As a condition of receiving VOCA funds the Office on Victims of Crime (OVC) mandates that programs receiving VOCA funds must notify* all victims of the VOCA Victims Compensation program administered through the Office of the Illinois Attorney General.

4. Please explain how your agency informs victims of the VOCA Victims' Compensation program.

We provide notification via brochures, posters within the office, and the Advocates provide verbal instruction and assistance in completing applications.

*Notification is defined as simply advertising the Victims' Compensation program through posters or brochures publicly visible in the agency's office. Other options include: providing information and referrals concerning the program and assistance with the application.

IV. Statement of Problem

This section will help us understand why your program is important to crime victims that come into contact with your agency as well as the community you serve. This section should document the problem(s) the organization continues to face and justify a need for continued funding.

1. Use the table below to identify the crime(s) this program will target and provide three years of county level data for your service area. If your program does not target a specific type of crime please include the three highest crime rates for the jurisdiction your program serves. Data for Index offenses are available on the Illinois Criminal Justice Information Authority's website or the publication, *Crime in Illinois*, produced by the Illinois State Police (ISP).

2007-2009

Type of crime: Crimes Against Children			Type of crime: Sex Abuse/Assault			Type of crime:		
2007	2008	2009	2007	2008	2009	2007	2008	2009
447	365	449	393	348	335			

* If multiple counties are served by your VOCA funded program please list the counties served here, and accumulate the crime numbers above.

2. What is the problem(s) your VOCA funded program has identified through its contact with the victim population served that **this program** addresses? (*What do crime victims need that they would not get if not for the services provided through this program?*)

The victims we see at our agency have often suffered significant emotional and psychological effects due to their abuse. The non-offending family members and other siblings are also facing some psychological issues of their own. There is a need for effective therapeutic interventions to address these psychological needs that otherwise might not be met if not for this program.

3. Use the space below to provide any anecdotal information based on the experiences of agency staff or other sources within your jurisdiction that may highlight the crime(s) and victims served through this program. *Please do not use names or any other information that would identify a specific victim.*

Every day we have families that call to thank us for what we have done for them and for the sensitivity with which we have treated their children. I recently encountered a young adult who, when learning where I worked, volunteered that many years before he had been served by our CAC. Abused by his father as a young child he had not understood then why his dad had to leave the home. He wanted me to share with the staff that we had "saved his life", that as an adult after much treatment and assistance he now understood what his family had gone through. His father was going to be released from prison and this young man was looking forward to having to discuss with him the consequences of the father's long ago behavior. This young man also had hope that through his healing he would now be able to forge an adult relationship with his father that would move them both beyond the abuse.

Families who have gone through the counseling program express relief that their child is laughing again, or sleeping through the night without fear and nightmares interrupting the evenings peace. There is one little angel so badly burned by a relative that she will need to wear

protetive clothing well into her young adulthood, that is at last beginning to lose her fear of "water"- she was sprayed with a flammable substance and ingnited; she is beginning to be able to respond to some men in her closest circle with trust insead of the cowering fear that she has exhibited since she was burned. These are the things that we celebrate, the small steps forward made by these young children.

V. Goals and Objectives

This section provides an overview of your program's accomplishments during the current performance period, and also helps us learn about what helped or hindered your program during this time. *(This section should provide guidance as to whether objectives or program strategies should be modified for the upcoming year.)*

A universal goal was developed for your current grant program. Please indicate the goal that was chosen for your current performance period.

Goal: To provide direct services to (check one) for the purpose of alleviating trauma and suffering incurred from victimization.

- All crime victims
 Victims of child sex abuse and non-offending family members
 (Sub-population of crime victims. This should match the crime(s) indicated in Section: IV)

*If you did not meet the objective(s) listed above, please detail each objective not met.

1. What were the successes of your program during the current performance period? Include any anecdotal information that may highlight the crime(s) and victims served through this program. *Do not use names or other information that would identify a specific victim.*

We were able to continue to offer and provide services for spanish speaking clients. Previously these clients were limited to agencies with long waiting lists, or located at significant distances from Kane County, making regular attendance a challenge. We have one young woman who was significantly abused by her mother's boyfriend who has stayed the course through an extended court process. She has had to leave her mother's home and is essentially living on her own because her mother has chosen the offender over her own daughter. This victim will be attending college with no family support. She has reported that the support she received from the CAC services have been instrumental in her being able to move forward with her life.

2. What barriers did you experience in implementing your program during the current performance period? How did you respond to them? Include any anecdotal information that may highlight the crime(s) and victims served through this program. *Please do not use names or other information that would identify a specific victim or a particular person.*

The most significant barrier we face is the economic downturn. Many families lack the resources to travel to counseling sessions; either lacking money for gas or not being able to take time from work to bring children to their sessions. We have arranged through our Friends group to make gas cards available and we have added more different time choices for the counseling sessions. To minimize time lost from work we also have worked with the counselors to utilize family sessions whenever clinically appropriate. This also helps to hold the line on program costs, as does referring families to longer term resources outside of our program.

3. Is there anything else you would like us to know based on your experiences with the current performance period? If so, please describe here.

Our families continue to report that the counseling process is a necessary and beneficial aspect of the CAC process. They report that the counseling has allowed both they and their children return to a feeling of control over their own lives. Parents report that their children are able to laugh and to sleep and that they see improved performance in school. The parents attribute this directly to the assistance they receive at the CAC. As community resources evaporate due to the budget crisis, CAC services in Illinois are the last hope many of these families have to receive critically needed treatment services.

VI. Program Implementation

The problem statement describes the issue(s) to be addressed in the following year. This section will tell us how these ends are going to be accomplished by describing how the **VOCA grant as well as match funded activities** will be implemented in clear, logical detail and should explain how your program will achieve its goals and objectives and work to resolve the issues addressed.

1. Please describe the specific activities each staff member (federal and match funded) under **this program** will provide to crime victims and explain how those activities benefit your target population.

CAC staff (match) will: Provide initial assessment and referral of CAC client families to our counseling program including preparation of intake information and transmittal to contract service providers. Case manager will relay the pertinent counseling concerns to the team for consideration in case outcomes. Counseling coordinator will maintain counseling records and appointment information to verify attendance and number of sessions provided.

.Contract service providers (counselors) will:

- Meet the victims, describe the trauma-focused counseling program, and conduct a clinical assessment using a research tool such as the Briere Trauma Symptom Checklist.
- Schedule appropriate counseling sessions for victims and, if desired, their non-offending family members.
- Clients who appear to be unsafe or seriously symptomatic at the point of the 7th session may receive up to five additional counseling sessions. The decision is to be made by the therapist in consultation with the clinical counseling supervisor and CAC Director.

Following the counseling sessions, the counselors will:

- Refer clients who desire further counseling and who are not in an agency program, to the CAC case managers, who will provide referrals to community and/or private agencies and assistance in securing outside funding, where available.
- Provide up to five clinical support sessions for children and their parents during the court preparation process. This clinical support is reserved for those cases in which children and/or parents cannot engage coping strategies or when children present with special needs. It is available to clients and families who have not previously received counseling services under the VOCA-funded program as well as those who have participated in the program.
- Provide up to five consultation sessions to Assistant State's Attorneys in cases with particularly difficult clinical presentations.
- Participate in quarterly clinical supervision sessions with a CAC-appointed clinical supervisor

2. Explain how the issues or barriers to the implementation of the program that you listed above in Section V, question 2, will be addressed during the new program period?

We are working with both our advisory board and our Friends of CAC group to increase fund raising efforts. Friends has committed to attempting to raise funds to fill any gaps in our ability to deliver service. All of our current local grant applications are for the purpose of supporting counseling services.

3. What training needs have you identified for the staff funded under this program?

Current staff is asked to attend at least one annual training and our advocates attend quarterly advocate round tables to maintain skills and develop broader resource networks for

victim services. Clinical providers are currently up to date on Trauma Focused Cognitive Behavioral Therapy TFCBT and any new practitioners will receive that training opportunity.

-
4. How will you address those training needs? If unable to address those needs, please explain why.

We have a grant to provide for training of staff and will continue to support the Case manager at quarterly roundtables. Budget approval has been received for her attendance at one national training. Grant approval has also been received for clinical provider training if it becomes necessary in the coming grant period.

5. If VOCA funds were not available, has your organization developed a plan for the continuation of this program? Please explain.

Last year we completed strategic planning for our Advisory Board and they are committed to assisting with developing CAC priorities and having crossover between the advisory Board and the Friends Board to maximize fund development potential. We are working with both our advisory board and our Friends of CAC group to increase fund raising efforts. Friends has committed to attempting to raise funds to fill any gaps in our ability to deliver service. All of our current local grant applications are for the purpose of supporting counseling services.

VII. Implementation Schedule

The implementation schedule should be used as a planning tool for the program and should reflect a realistic projection of how the program will proceed. The Implementation Schedule should indicate: the VOCA funded activities and services that will be provided; the month the activity/service begins; the month the activity/service is completed; the personnel responsible for each activity/service; and the frequency with which the activity/service will be provided. Please use the following implementation schedule form using examples as a guide.

Activity	Month Begun	Month Completed	Personnel Responsible	Frequency
<i>Example: Distribute Brochures</i>	<i>Month 1</i>	<i>Ongoing</i>	<i>Volunteers</i>	<i>As needed</i>
<i>Example: Hire Medical Advocate</i>	<i>Month 1</i>	<i>Month 2</i>	<i>Coordinator</i>	<i>N/A</i>
<i>Example: Provide Support Groups</i>	<i>Month 2</i>	<i>Month 12</i>	<i>Advocate</i>	<i>Weekly</i>
Case intake and referral	ongoing	ongoing	Case manager/advocate	daily/as needed
