**RE: 2012 – 2013 Vector Surveillance and Control Grant**

Dear Local Health Department Administrator:

Attached is the Vector Surveillance and Control Grant for FY 2012 (April 1, 2012 to March 31, 2013). The Emergency Public Health Fund provided funds for the grants. Please sign and date two original copies of the grants and return BOTH copies to me so they can be forwarded to the IDPH Director's office for execution.

The execution date for these grants is April 1, 2012, so we would appreciate it if the two signed copies could be returned as quickly as possible.

Summary of Grant Evaluation Criteria: As required by state statute, the grant awards to local health departments (LHDs) are assigned by IDPH based on previous years' surveillance data and the human population of the jurisdiction. The grants are based on 3 years of surveillance data (2009, 2010 and 2011) as was agreed to during consultations with representatives from local health departments.

The minimum grant awards for this round of grants were \$10,000 if the agency had submitted a bird for WNV testing once during the last 3 years, \$11,000 if the agency submitted a bird during 2 of 3 of the last 3 years and \$12,000 if the agency had submitted a bird during all of the last 3 years. The grantees received additional funding for mosquito testing, a population factor and if there was a human WNV case in the jurisdiction.

Upon execution of the grant grantees will receive 25% of the grant as an initial payment. The remainder of the grant will be paid via quarterly reimbursement.

As described in your agency's application, at least eighty percent (80%) of the grant funding must be used to support or enhance a mosquito-borne disease surveillance and control program and related activities. No more than twenty percent (20%) of the grant funding may be used to conduct surveillance and prevention of non-mosquito vectors of human disease such as ticks, rodents, nuisance birds and other vectors of human diseases.

Please contact me if you have any questions. Thank you for your help in this matter. If you have any questions, please contact me at 217.785.2365, TTY (hearing-impaired use only) 800.547.0466 or by email ([Linn.Haramis@Illinois.Gov](mailto:Linn.Haramis@Illinois.Gov)).

The Agency that signs for the State of Illinois shall be the only State entity responsible for performance and payment under the agreement. When the Chief Procurement Officer or authorized designee signs in addition to an Agency, they do so as approving officer and shall have no liability to Grantee. When the Chief Procurement officer or authorized designee signs a master agreement on behalf of State agencies, only the Agency that places an order with the Grantee shall have any liability to Grantee for that order.

8.15 **Modifications and Survival**

Amendments, modifications and waivers must be in writing and signed by authorized representatives of the Parties. Any provision of this agreement officially declared void, unenforceable, or against public policy, shall be ignored and the remaining provisions shall be interpreted, as far as possible, to give effect to the Parties' intent. All provisions that by their nature would be expected to survive, shall survive termination. In the event of a conflict between the State's and the Grantee's terms, conditions and attachments, the State's terms, conditions and attachments shall prevail.

8.16 **Performance Record/Suspension**

Upon request of the State, Grantee shall meet to discuss performance or provide agreement performance updates to help ensure proper performance of the agreement. The State may consider Grantee's performance under this agreement and compliance with law and rule to determine whether to continue the agreement, suspend Grantee from doing future business with the State for a specified period of time, or to assess whether Grantee can be considered responsible on specific future agreement opportunities. The Department may immediately suspend a grant agreement after due consideration of any issues affecting the Grantee's performance.

8.17 **Freedom of Information Act**

This agreement and all related public records maintained by, provided to or required to be provided to the State are subject to the Illinois Freedom of Information Act notwithstanding any provision to the contrary that may be found in this agreement.

8.19 **Assignment**

The Grantee understands and agrees that this Agreement may not be sold, assigned, or transferred in any manner and that any actual or attempted sale, assignment, or transfer without the prior written approval of the Department shall render this Agreement null, void, and of no further effect.

8.20 **Termination for Cause**

The State may immediately terminate this agreement, in whole or in part, upon notice to the Grantee if: (a) the Grantee commits any illegal act; (b) the State determines that the actions or inactions of the Grantee, its

agents, employees or subagreementors have caused, or reasonably could cause, jeopardy to health, safety, or property, (b) the Grantee has notified the State that it is unable or unwilling to perform the agreement or c) the State has reasonable cause to believe that the Grantee cannot lawfully perform the grant agreement

If Grantee breaches any material term, condition, or provision of this agreement, is in violation of a material provision of this agreement, or the State determines that the Grantee lacks the financial resources to perform the agreement, the State may, upon 15 days prior written notice to the Grantee, cancel this agreement. For termination due to any of the causes contained in this Section, the State retains its rights to seek any available legal or equitable remedies and damages.

8.21 **Termination for Convenience**

The State may, for its convenience and with thirty (30) days prior written notice to Grantee, terminate this agreement in whole or in part and without payment of any penalty or incurring any further obligation to the Grantee. The Grantee shall be entitled to compensation upon submission of invoices and proof of claim for supplies and services provided in compliance with this agreement up to and including the date of termination.
