As food and supply items contained in bid specification are affected by high cost of energy and weather, cost are not stable and increase on most bulk food and miscellaneous supply items compared to last contract.

In order to compensate for cost increase of this year contract, staff offers following option of awarding this contract. By awarding this contract to multiple vendors based on part or section of bid that they are most responsive and offer lowest cost, this would help reduce total contract cost by 6% or \$10,623 compared to awarding of contract to single vendor at \$184,100. Reference attached tabulation.

Base on qualification, bid compliance, and pricing, Purchasing Department recommends awarding food provider contract to above mentioned vendors, pending Juvenile Justice Center's approval.
