

# Going Green in **New Ways**

Join us for this program, which is suitable for both Kane County homeowners and business owners.

Thursday, January 19

7 pm

Meeting Room

**"Every one person, every one act,  
makes a difference! We are the ONES."**

Jennifer Jarland, Kane County Recycling and Resource Conservation Program coordinator, offers new ideas on conservation, product stewardship, recycling beyond curbside, electronics legislation, and more. Jarland is a former Zero Waste and Resource Conservation specialist in Boulder County, Colorado. Her passion goes beyond the three Rs—Reduce, Reuse, Recycle—and includes another two—Rethink and Redesign.

Jarland will discuss Kane County recycling opportunities including:

**Electronics - Building Materials - Compost - Motor Oil - Pharmaceuticals - Textiles - Plastics**
