## New Animal Control Senior Rabies Tag Fees Effective January 1, 2025

Starting January 1, 2025, Kane County Animal Control (KCAC) will update its 1-year and 3-year rabies tag fees for **non-neutered** animals owned by individuals 65 years of age and older to \$10. (see chart below)

This adjustment brings Kane County into compliance with Illinois state law, which mandates a minimum \$10 difference between fees for neutered and non-neutered animals. KCAC remains committed to keeping tag fees affordable for seniors while adhering to state regulations.

The new tag fees are as follows:

	<b>1 Year</b>	<b>3 Year</b>
<b>Neutered / &lt;1yr</b>	\$15	\$35
<b>Non-Neutered</b>	\$40	\$90
<b>Senior* Neutered</b>	Free	Free
<b>Senior* Non-Neutered</b>	<b>\$10</b>	<b>\$10</b>

*\*Any person 65 years of age or older with proof of age.*

KCAC has informed veterinarians across the county about the upcoming changes, enabling them to notify pet owners in advance. Rabies tags can be purchased through veterinary clinics and animal hospitals throughout Kane County or directly from Kane County Animal Control at **4060 Keslinger Rd, Geneva, IL 60134**.
