FOR IMMEDIATE RELEASE

Memorial Day Ceremony 2013

On Monday, May 27, 2013, at 3:00 p.m., the Kane County Veterans Assistance Commission will be conducting a Memorial Day ceremony at the Kane County Veterans Memorial. The memorial is located at the Kane County Government Center, 719 South Batavia Avenue in Geneva, Illinois on the front grounds of Building A.

The guest speaker will be Doc Sheehan, an Air Force veteran who served in Vietnam. He is also a past Commander of the VFW Posts in Elgin and Glendale Heights and was honored as Illinois' Veteran of the Month last August.

If you are unable to attend a Memorial Day Ceremony, please take time to remember and honor the legacy of all who have served in the Armed Forces who have defended this nation so that we, the people, can live in a society that cherishes and preserves freedom, justice, and democracy.

Handicap parking and shuttle service will be available.
