July 1, 2009

PRESS RELEASE

Starting the week of July 7, 2009, Bowes Road will be closed between Nolan Road and Randall Road. This closure is necessary to allow for the removal and replacement of the existing bridge over Fitchie Creek. A marked detour route will direct motorists to Randall Road, Silver Glen Road and Corron Road. The construction and the detour are expected to last until September 2009.

Motorists should anticipate increased travel times during construction. Your cooperation and patience during this project is greatly appreciated

Questions or concerns may be directed to Brad Hunold at (630) 262-6177.
