PRESS RELEASE

Bowes Rd Change in Traffic

Starting Monday, **June 30, 2008**, traffic on Bowes Road east of McLean Boulevard will be closed. Traffic will be detoured north to Crispin Drive. This temporary closure is necessary to allow crews to reconstruct the intersection. The detour will be in effect for approximately three weeks. Please follow the posted detour route and allow extra travel time during this detour.

Concerns about the project should be addressed to Dave Boesch at 630-845-7875.
