Celebrate National Moth Week at nighttime nature program, July 20

GENEVA, IL — Get out into the night to celebrate National Moth Week!

Join naturalists from the Forest Preserve District of Kane County for an evening program, where we'll learn about the unusual beauty, life cycles, and habitats of moths. Then, we'll head into the field to observe some local species up close with the aid of various moth attractants.

Learn how you can become a real Citizen Scientist during National Moth Week by submitting moth observational data on iNaturalist — an easy to use smartphone app. Join us on Tuesday, July 20, from 7:30-9 p.m. at Creek Bend Nature Center for the “Moth Mania” nature program.

Advance registration is required. Call 630-444-3190 or email programs@kaneforest.com to register. The registration fee is \$2/person. Creek Bend Nature Center is located within LeRoy Oakes Forest Preserve at 37W700 Dean St., St. Charles.

For more information, or to see a full roster of Forest Preserve District nature programs, visit www.kaneforest.com. Find the District on social media by searching @forestpreserve.
